FIRST WEDNESDAY OF THE MONTH

INFERTILITY SUPPORT:

Living with infertility can feel like living in limbo. You have more questions than answers, and the experience is an isolating roller coaster for your identity and your relationship.

This group is for those who have experienced infertility, are currently undergoing treatments, or are anticipating fertility issues in their family building.

Learn coping skills and remind your heart that you are not alone.

Turn onto Bernard Avenue from 21st and you'll see the big brick historical building. You can park in any unmarked spot around the building or in the parking lot in front.

Enter at the RAMP ENTRANCE (to the right of the main entrance) and take the elevator straight up to the 4th floor. When you exit the elevator, take a right, and you'll see our sign, Suite 410.
